SCHEDULING ORDER

On June 14, 2010, Vermont Marble Power Division of OMYA, Inc. ("Vermont Marble") filed a letter requesting an extension, until July 9, 2010, for the deadline for filing a stipulation and status report with a proposed revised schedule. Vermont Marble stated that it has reached an agreement in principle with the Vermont Department of Public Service ("Department") and had presented the framework of that agreement to Vermont Quarries Corporation ("Vermont Quarries"). Vermont Marble represented that certain aspects of the agreement are acceptable to Vermont Quarries and that Vermont Quarries requested additional time to evaluate the agreement. Vermont Marble stated that if the parties cannot achieve resolution of all issues by the July 9 deadline, the parties will file a statement of those issues that have been resolved and any that remain unresolved. In addition, Vermont Marble stated that, by the July 9 deadline, parties will file a proposed revised schedule that addresses the settlement and resolution of remaining issues. Vermont Marble stated that the parties jointly support the schedule extension.

I hereby grant the proposed schedule changes. The new deadline for parties to file a stipulation and status report with a proposed schedule is July 9, 2010. Any proposed schedule

should consider whether Vermont Marble may need to agree to an additional extension to the seven-month deadline for a final order pursuant to 30 V.S.A. § 227.¹

SO ORDERED.

Dated at Montpelier, Vermont, this 17th day of June, 2010.
